# REGISTRATION FAQ

## GENERAL INFORMATION

### Where does the Conference take place?

The MVC takes place in Columbus, Ohio, in both the Greater Columbus Convention Center (350 N. High St., Columbus OH 43215) and the Hyatt Regency (400 N. High St., Columbus OH 43215). Registration and Customer Service are located in Hall C of the Convention Center.

### Who is eligible to attend the MVC?

The OVMA welcomes individuals working in all areas of the veterinary profession, including veterinarians; technicians; hospital staff; shelter personnel; post-graduate residents and interns; and pre-veterinary, veterinary, and technician students. Non-veterinary professionals age 16 and up may attend as guests of a registered attendee.

### I am a veterinarian in Ohio, but I am not an OVMA member. Can I attend?

Non-member veterinarians in Ohio are most welcome to attend, but please note that your registration fee will be higher than that of OVMA members. If you would like to receive the member price, we invite you to join the OVMA by filling out the "Member Dues" section on the registration form. Not only will you enjoy the cost savings, but also the benefits of OVMA membership throughout the year! Visit [www.ohiovma.org/membership.html](http://www.ohiovma.org/membership.html) for details.

### I am a veterinarian practicing in another state.

#### What fee will I pay to attend?

As an out-of-state DVM, you are eligible to take advantage of the same reduced registration fees that an OVMA member would pay. Please see the registration form on the following page for these fees.

### Who can register for a spouse/guest badge?

A spouse, companion, relative, friend or child age 16 or older may register as a guest of a registered attendee. DVMs, technicians, hospital staff members, and other animal care professionals are not eligible to attend as guests. Please note that CE credit confirmation cannot be issued for this type of registration.

### How many hours of continuing education can I obtain by attending the Conference?

You can earn a total of 24 hours of CE if you elect to attend the full Conference and attend all day each of the four days. A total of 6 hours of CE can be obtained if you elect to attend only one day of the Conference and attend a session during each time slot offered.

### I am traveling from out of town. How can I make housing arrangements?

The OVMA has reserved room blocks at several hotels within walking distance of the Convention Center. Rates, contact numbers, how to book, and other information about each hotel can be found on page 74 or by visiting the Travel & Hotels section of the Web site at [www.mvcinfo.org/attendees](http://www.mvcinfo.org/attendees), where you can also find transportation and parking information.

## REGISTRATION

### How can I register to attend?

Register online at [www.mvcinfo.org](http://www.mvcinfo.org) or fill out a form for each attendee and submit it to the OVMA by mail (3168 Riverside Drive, Columbus, OH 43221) or fax (614-486-1325).

### What are the registration deadlines?

- **Jan. 6, 2012** – Deadline for early bird registration to receive discounted prices.
- **Feb. 1, 2012** – Deadline to register and receive a confirmation packet in the mail. If you register after this date, please pick up your packet on site.
- **Feb. 10, 2012** – Pre-registration deadline. After this date, please register on site.

### How can I pay for my registration fees?

The OVMA accepts checks, Visa, Mastercard and Discover as forms of payment. Unfortunately, we are unable to accept American Express. Please note that fees need to be paid in full at the time of registration.

### What do registration fees include?

#### Full Conference:

- All sessions except labs and workshops where additional fees are required and/or space is limited
- Online access to Conference Proceedings
- Admittance to the Exhibit Hall
- MVC Sunday Lunch

#### One Day:

- All sessions on the day attending, except labs and workshops where additional fees are required and/or space is limited
- Online access to Conference Proceedings
- Admittance to the Exhibit Hall on day attending
- MVC Sunday Lunch (if attending on Sunday)

### What is included in a Guest Registration?

- All sessions on the day(s) attending, except where additional fees are required and/or space is limited
- Admittance to the Exhibit Hall
- MVC Sunday Lunch (if attending on Sunday)

### What should I know about registering for wet labs and workshops?

The registration form includes a section where you may select which of these programs you would like to attend. Wet labs and workshops require an additional fee, but because these prices are fixed, there is no early registration discount. Please note that participation in these programs may be limited and is awarded on a first-come, first-serve basis; as such, we advise you to sign up as early as possible.

### Am I able to register multiple people from our clinic at one time?

Yes. If you are registering by fax or by mail, please make a copy of the registration form or download a PDF online at [www.mvcinfo.org](http://www.mvcinfo.org) and complete a separate form for each individual. If you are registering online, please follow the instructions provided on the Web site to add additional attendees.

### How does a Hospital Pass work?

A Hospital Pass may be used by the staff of a veterinary facility (excluding veterinarians and technicians). In your confirmation packet, you will receive four tickets, each of which is good for one attendee on any one day. You may use these passes on any combination of days you like. When the attendee or attendees arrive at the Conference, each should bring one ticket to the Customer Service booth in the Registration Area to receive a badge. The pass will be listed under the company name.

### Can I and/or my guest purchase a pass just for the Exhibit Hall?

Yes. You may purchase a one-day Exhibit Hall-only badge for a nominal fee of \$20 per person, or a full three-day pass for \$40 per person. Children under 18 are admitted at no charge, but should still obtain a badge, as only attendees with badges will be admitted to the Exhibit Hall. Anyone under 18 must be accompanied by a parent or legal guardian at all times. You may purchase these badges at the Customer Service booth during Registration hours.

### I will need special assistance to be able to attend the Conference. How do I make arrangements?

Attendees who need special assistance or services are asked to notify the OVMA office no later than **Feb. 10, 2012**, by providing a written description of how we may accommodate you. There is space available for this

request on both the online and paper registration forms.

### What if I have to cancel my registration?

If personal or professional circumstances prevent you from attending the Conference, the OVMA will refund your registration fees less a \$50 administrative fee, provided that a written refund request is received by 6 p.m. EST on **March 14, 2012**. No refunds will be granted after this date. No refunds can be granted for wet labs, workshops and entertainment functions. Written refund requests may be delivered to the OVMA via mail, fax or e-mail. Please note that refunds will not be processed until **March 15, 2012**.

### Can a registration be transferred?

If you are no longer able to attend, your registration may be transferred to another person on your staff. Please bring the original badge and registration materials to the on-site registration desk to receive a new name badge.

## CONFIRMATION

### When will I get my name badge and tickets?

Attendees who register by **Feb. 1, 2012**, will receive mailed confirmation including name badges, any purchased tickets, and instructions for accessing online Conference Proceedings. These items will be mailed to pre-registered attendees beginning the week of **Feb. 13, 2012**. ***Please be sure to bring these materials with you to the Conference, as there is a \$10 replacement fee for lost name badges.***

### Will I be able to access and print notes for my sessions prior to the Conference?

Yes. Instructions for accessing the Conference Proceedings online will be included in your confirmation e-mail and mailed packet. Please print your notes before arriving, as there will be no notes printing stations available on site. If you would like a CD-ROM of the notes, you may pick one up at the Customer Service booth when you arrive on site. CD-ROMs will not be mailed prior to the Conference.

### I registered multiple people from our office. How will we receive confirmation?

If you pre-register by the cut-off date of **Feb. 1, 2012**, each person will receive an individual confirmation to the address you provide.

### I submitted my registration form by Feb. 1, 2012, but did not get a confirmation or registration materials in the mail. What should I do?

Please notify the OVMA office at (800) 662-6862 or [info@mvcinfo.org](mailto:info@mvcinfo.org) if you do not receive these materials by **Feb. 20, 2012**. If the office is closed due to the Conference, visit the Customer Service booth when you arrive on site.

### What if I forget to bring my badge and event tickets to the Conference?

The OVMA strongly encourages you to bring your entire confirmation packet with you to the Conference. Should you forget it, you may request new materials when you arrive on site by visiting Customer Service. ***However, please be aware that there is a \$10 replacement fee for lost name badges.***

*Hello Midwest Veterinary Conference Parents!*

Thank you very much for your interest in the Midwest Veterinary Conference children's program. Our goal is to provide your children with a program they want to attend, while providing you with that critical "peace of mind" feeling so you can attend event activities.

KiddieCorp is pleased to provide a children's program during the Midwest Veterinary Conference. KiddieCorp is in its twenty-sixth year of providing high quality children's programs and youth services to conventions, trade shows and special events. We take watching your children very seriously. KiddieCorp has enjoyed a long-time partnership with the American Academy of Pediatrics, which has helped to establish KiddieCorp as a premier provider of event children's program services.

### **ACTIVITIES**

Activities include exciting themes, arts & crafts, group games, music & movement, board games, story time, dramatic play, etc. We provide activities appropriate for each age group, using safe, sturdy equipment that you can feel comfortable with. Children can make their own choices within KiddieCorp's program.

**THEME – Wild, Wild West** Howdy partners! Let's get saddled up for one wild ride. Our adventure will begin when we dress the part. We will have a variety of Cowboy hats, scarfs, and sheriff badges. Yee Haw! All cowboys and cowgirls will learn how to master the rope like a real wrangler when we all do a little jump roping. It's a guaranteed good time for everyone! Next, we'll mosey on over to the arts and crafts table to make collages, bead creations, and wild west coloring sheets. No cowboy or cowgirl's day would be complete without an obstacle course to test their skills and relay races to keep them laughing. Then, we'll wind down our long day on the range by sitting around the imagination campfire to tell our favorite stories. So partners, saddle up and get ready to have the best time ever while we discover how the West was explored!

### **COMMITMENT**

Our goal is to provide your children with a comfortable, safe and happy experience. Our staff to child ratios are high to ensure that every child feels special (1:1 for children 6 weeks through 5 months; 1:2 for children ages 6 months through 11 months old; 1:3 for children ages 1 through 2 years old; 1:5 for children ages 3 through 12 years old). KiddieCorp team members are selected according to their integrity, experience, education and enthusiasm. They must be wonderful with kids! You will feel extra secure knowing that the KiddieCorp team is bonded and that we carry ample liability insurance.

### **WHERE, WHEN, FOR WHOM**

The program is for children ages 6 weeks through 12 years old. The dates for the program are February 23-26, 2012 and will be located at the Hyatt Regency in Columbus, Ohio. Snacks and beverages will be provided and meals need to be supplied by parents or purchased when checking in your child each day. Please note, purchased meals will be from a menu supplied by the Hyatt Regency.

### **REGISTRATION**

See the attached registration and consent form for event information. **The advance registration deadline is January 27, 2012.** Register early as availability is limited and handled on a first-come, first-served basis. KiddieCorp must receive both the registration/consent form and payment in full to hold reservations. Although every effort will be made to accommodate on-site registrations, there is no guarantee and it is not recommended.

### **NEED MORE INFORMATION?**

KiddieCorp is always available to answer any questions. Feel free to contact KiddieCorp by phone at (858) 455-1718 or by e-mail at info@kiddiecorp.com. **You can also register on-line at <https://www.kiddiecorp.com/ovmakids.htm>.**
